COORDINATORS COMMENTS

January 21, 2016

HOODOO!!!! Great attendance at our January meeting! We had 4 new members sign up and 1 change his home chapter to HooDoo. Keep it up folks!!

Well, it's that time of year to renew our memberships. Membership is the cornerstone of our organization. The greater the membership, the more of a voice we have with the "government". And it means bigger parties!

I have enclosed a Membership Application. Fill it out! Mail it in. Better yet, bring it to a meeting! Even better, plan on attending our Membership Walk on March 5th. Noon. Linger Longer. We will have a poker walk. \$10.00 buy in with a 50/50 split. Pot luck with HooDoo supplying some kind of meat.

Reminder!! There is a \$4000.00 Accidental Death Insurance Policy included in your membership dues. What a deal! You're a HOODOO HIPPY, you have insurance and you get a free weenie at the meetings!

At the last meeting, we discussed having e-mails as a supplement - not as a replacement - to the monthly Coordinators Comments. Received positive feedback. Make sure you fill out that portion of the Application. Will try and get this started in the next few months.
