Coordinators Comments
May 2018

Going into the final stretch Spring Opener is less than a month away! If anyone needs their donation items picked up and transported to Country Lanes, please call either Jack or myself, and we'll be glad to assist.

ABATE of N. Idaho was represented at the open house at Lone Wolf Harley-Davidson April 27 and 28th. Lone Wolf allowed us to set up a table and hand out literature, so thanks to them!

Remember to vote on May 15th in the Idaho primary! Chances are that whoever wins the Republican primary will win the election in November.

Finally.....everyone please attend the Memorial service for Crusty Miller at the Spirit Lake City Park, May 20th, at noon. Crusty was one of ours, an old-time true biker and deserves to be shown our respect. RIDE!

Our next meeting will be in the bar at Country Lanes resort, June 2, 6:00 PM.

C'Ya!
