FAT BASTARDS

Damn! Summer's going fast! Hard to believe that our Fat Bastards Float and Campout is just a few weeks. Hippies that have done this, know how much fun we have. Hippies that haven't, it's time to find out! HooDoo pays for Hippy camping for the weekend and a steak on Saturday night. Non Hippies (get a clue) pay \$10.00 a night per tent for camping and \$5.00 for a steak. Check out ANI website for information.

JULY 29 - 31

BIG EDDY RESORT - 18985 ST JOE RIVER RD, ST MARIES ID. 83861

Friday - Camp and a social. (That means "PARTY OUR ASS OFF!")

Saturday - Mid-morning we haul all our shit up river about five miles and start our rapid descent (about 1 mph) down the St Joe. We float back to the Big Eddy and start our Saturday evening social. (I already explained that) This includes our steak dinner potluck.

Sunday - Potluck breakfast and check to see if anybody over "socialized".

Make a plan. You'll be glad you did!!

TOAD ROCK RUN - June 24 - 26

We had a great time! Weather was a little crappy on the ride up but was great from there on. We partied in the "Pavilion" at Toad Rock on Friday night and watched some "old" rock concert videos. Saturday we went for a nice ride and stopped in Nelson on the way back to Toad Rock for some food and a beer. Sat around a campfire on Saturday night and "socialized". Toad Rock is a NEAT campground that caters to motorcycles. It wasn't as crowded as last year because -wait for it- we were a week early! Oh well! Funny shit! Nobody cared!
