

Hoodoo Hippie Minutes Meeting minutes of March 6, 2010

Linger Longer, Spirit Lake, Idaho

Coordinator, Russ Haux called meeting to order 12:51

16 members attended with 2 guests, and roster was duly signed by all present.

Secretary's Report:

Feb. minutes were read and accepted with no amendments.

Deputy Coordinator:

Regretfully reports that the planned road trip to pass out flyers for MIA/POW run and the mapping out of Membership Run had to be cancelled. Still going to work on it and route still needs to be discussed. He also mentions that there is a BIG poster here in the bar about Membership Run with announcing band 'Full Blown Theory'.

And a shout out to Cat 'get well soon'!

Coordinators Report:

Frosty Buns Run was a huge success with over 700 motorcycles. Weather was fantastic and just a good ride. Curley's did a really good job especially considering there were probably 1000 people there at one point.

Russ did inquire about the kitchen area for us to use Spring Opener being 200.00 a week-end, but going to make sure we're not stepping on any other Chapters toes first. Also has cots, stoves, fridge, water, bathrooms, and a covered area with table and chairs. We may also sell some of our Hoodoo wares there.

Remember to please volunteer for rodeo at Spring Opener!

MOTION:
