Runs & Events
Dan Ertz read off the runs and events coming up
Scott Lyon talked about having a second "Safty Inspection" at the Roadhouse on May 29th. We, the Road Dogs, will have a table at the event. So it was thought this would be a good date. Scott will come back next month for a final update.
Dan Ertz talked about the Awareness Ride on May 1st. The official event is starting at the court house and ending at the end of Sherman Ave. He noted that there are 2 other events being held that day. The bikers can go on to either or both, a swap meet at The Time Out Tavern and a swap meet at Caltaldo

Old Business
1) "Road Dogs & Friends" chapter ride was discussed. There was talk of having the ride on March 27th & 28th. As an overnight ride was much in favor. The Ride and dates will be finalized at the March meeting.

New Business
1) Dan Ertz passed around the Awareness Ride flyer.
Dan introduced Glen Wessel, to talk about the swap meet he is putting on at the Time Out Traven. He was inviting us all to come to the meet after the awareness ride. Glen said he would get an article in the newspaper about the ride and the swap meet.

Speaking of swap meets, Dan Ertz brought up about a swap meet being held at the end of Appleway in the culdesac. He thought it would be good for the Road Dogs to have a table set up. There was discussion, but no motion made.

2) The upcoming highway clean up, April 10th, was discussed. It is the Road Dogs turn to handle the food. It's been a pot luck in the past. Susan Taylor and Belinda Carson will handle the food prep. Starting time will be 10:00 am.. Contact Dave Cazel, project captain, if you can help. We need bodies!!!!

3) At the April 10th safety inspection at Lucky's, Lucky will offer his Dyno Test for \$10.00. Dan Ertz, Ron Carson and Tom Taylor will be handling the inspections. Pastor Ernie said our banners will be ready in plenty of time. He may have them for the March meeting, to show off.

4) May 8th Freedom Run, Ron Carson said we're covered for the run. We will need food for the BBQ pot luck. There was discussion on the food prep, but nothing motioned. Dan Ertz asked for all of us to push our quests to finish the ride and come to the BBQ.
