

HOODOO CHAPTER MEETING

JAN 10, 2015

Call to order: 12:15pm, 9 members and 3 guests present.

Pledge of Allegiance

Last months minutes were accepted.

Coordinator Report: Roy opened this meeting as his first official duty as coordinator.

Deputy Coordinator Report: 1) Bob passed out a sheet with 3 promotional sample tickets on it for the Spring Opener. One design will be decided upon.

2) The Orifino Social went well and it was good to meet our brothers and sisters from the South. They are a younger and more aggressive crowd and closer to the legislative action that goes on in S. Idaho. They have added a Letter of Intent and description of chapter operations and proposal for a Legislative committee. This will help us to expand and get closer to the legislative action.

3) By laws for the transition of Eagle newspaper to the ANI website will be presented to the BOD at Sundays meeting.

4) Spring Opener. Bob is going to meet with Albert's campground to solidify our dates and also lock in the band. This year members should talk to people about the SO. This is a good form of info and advertising and is more effective than just posting on 22 websites. This will be what our promotional tickets are for. A show of hands showed support for chapter's buying promo. A motion was accepted to buy promo tickets. The idea will be presented at the State meeting.

5) The last thing Bob brought up Legislative. The idea of having State and Chapter legislative officers has been brought up. Do we really want this? ASI is strong in the legislative area. The idea of members under going STEAM training and seminars as an alternative method of legislative reporting has been suggested.

Secretary Report: No report

Membership Secretary Report: We have 51 members

Treasurer Report: Available upon request

Legislative: Not much going, the Learners permit restriction issue continues and a Senator wants to go back to the EPA and try to force them to do a study on E15. This is a ethanol gas compound that is really hard on small engines.

Old Business: We have a box of old Tee shirts POW/MIA all XI. A motion was passed to throw these out to the crowd during the Spring Opener.

New Business: 1) Poker Walk. We need volunteer's for this event. It will be March 7th, 2015 at 2pm right after our March meeting. A motion was passed to use #100 from our account for grub and members will bring potluck. Hands are \$10 with extra cards up to 4 for \$1/each.

2) A motion was passed to take our support for the ABATE name change to the BOD. A Brotherhood Against Totalitarian Enactments is proposed.

Open Forum.

1) The Toad Rock Run in Canada could be a fun ride to go to. Full info at www.toadrockcampground.com.
