Old Business:

Spring opener went really well. Hells Canyon Chapter won the most members trophy and the loosing chapters paid up in a very good sportsmen way. Remember to keep getting those new members and getting the one we have more involved. Tri folds are unfortunately not complete. State meeting is tomorrow in Potlatch at Noon. Dave will be going and asked if anyone had any questions or concerns to be addressed. Only thing was that majority of members did not like the band this year and felt they needed a more versatile band or two bands for the weekend.

New Business:

July 18th is the Ride for life ride for anyone who wants to go a couple of us plan on riding up around 6:30 in the Am. Signup starts at 7:30 kick stands up at 9:00. Curly's bar does have places to camp if anyone interested. July 24th-26th 2nd annual Tuffy's biker bash in St Prairie Montana. Anyone who wants to ride up Coyote will be taking his 5th wheel and can take up gear. We Will pull out of Flying J's at 7:00. August 21-23rd Thunder Run in Enterprise Oregon. We need to show up with a good amount of people for this they are expecting us and have camping reserved for us. Used to be Bronze bike run and other members who have gone say it is put on very well. Remember you can sign up for medstar with ABATE for a discounted rate. We would need 10 people to sign up to do it with Hells Canyon, but anyone can sign up with ANI.

Pebbles deputy Coordinator has stepped down from her position due to other commitments and Paul volunteered to finish out the year. Pebbles will be contacted to make sure she wants to quit.

Meeting adjourned: 11:00
