Guest: 0

Secretary's report: Read by Dave and approved
Membership secretary's report: 68 paid members
Treasures report: Done by Steve

Old Business:

On July 15 a couple of the members were able to go and support the Ride for Life ride. Chapter donated \$300 to them and they had really good sponsorship and raised over \$40,000. Would love to see more support from the Chapter next year. July 24-26th was Tuffy's ride good event as always and we were able to get a lot of our Montana members to join back up.

New Business:

August 21-23 Thunder run in Enterprise we will meet at the Asotin gas station at 7:00 for anyone who can go. We have heard really good things from members who went last year and the sponsors are really excited about us coming down. Paul stepped up and took Deputy coordinator because Pebbles resigned. Everyone continue encouraging new members and old members to join. Ballots from state should be getting mailed out. Only one position was up for vote as the rest of the positions were filled at last state meeting.

Next meeting September 12th

Meeting adjourned: 10:40 AM
