Secretary's report: Read done by Dave  
Membership secretary's report: 68 paid members  
Treasures report: Done by Steve

Guest Speaker: Representative from AIL

Old Business:

Fires this year slowed down the participation of the Enterprise Thunder Run. One member attended and said that it had very poor outcome this year and they might have to cancel it if it doesn't improve next year.

New Business:

Halloween party will be October 24th start at 5:00Pm. We need everyone to help raise money, candy, or prizes this year so chapter won't have to cover everything again. We also need everyone's help with setup, cleanup, and activities. We will try to get karaoke this year and have more activities so we can keep the kids indoor. Please have all donations collected and bring to October meeting. Everyone reminded to send in there state ballots and next month will be chapter nominations. We discussed that we did not have any events of poker runs this summer and next year we need to think about participating in the roundup parade and having a membership sponsor driven event afterwards. September 26th we will have a poker run. Meet at Canters 10:00 pull out at 11:00. \$10 a hand or \$15 a couple. Ride will go up to Winchester over to Grangeville and rest of route will be decided. Dave discussed what Hells Canyon Chapter and ABATE do in this community, our goals, and how we fight for motorcycle rights.

Meeting adjourned: 11:00
