**SAFETY COORDINATOR: (Karen Stewart)** – Karen asked what used to be the most frequent wreck between a car and a motorcycle. Basically getting t-boned. Now its being rear-ended because of distracted driving. Some tips on how to avoid: leave a safety net between you and car ahead of you, have an escape route, leave bike in gear, watch your mirrors, flash brake lights, point bike to outside of rear bumper in front of you.

**LEGISLATIVE: (Dave Cazel)** – Heather Scott is not going to push the 6 month registration bill. Bob Nonini is going after the Lt. Governor position, which means we will not have a strong voice in the Senate. Leslie Duncan is running again this year for County Commissioner (woo-hoo!). Raul Labrador, Brad Little and Tommy Alquist are running for the Governors Office and Dave does not know where they stand on motorcycles. Learn as much as you can and bring back to our Chapter meetings. Mike Lundy suggested a website called votesmart.org. and Belinda W mentioned sending a questionnaire to the candidates.
